MOTOROLA CLPe TWO-WAY RADIO

From back-of-house to front-of-store, the CLPe Series is your stylish and essential team communication tool - built to last all day, everyday in retail and hospitality.

MOTOROLA SOLUTIONS

Authorized Business Radio Reseller

Motorola CLPe Two-Way Radio

START A WHOLE NEW CONVERSATION IN STYLE AND EASE.

The CLPe Series is small, lightweight and easy to use with simple one-button push-to-talk (PTT) operation for communication in an instant. Quickly check essential radio information at a glance with the smart status glow ring, and reduce missed messages with louder and clearer audio for precise communication between users. All this performance is protected by a rugged radio housing and long lasting battery.

THE ULTIMATE IN EASE.

A sleek design, small enough to fit in the palm of your hand. IP54 and Military Standard 810H rated to survive dust, water, vibration, shock and temperature extremes. The CLPe Series is ready to provide all day performance and is customizable to your work environment with a range of radio accessories including different chargers, carry options, and earpieces.

ENHANCED EARPIECE FOR LOUDER AUDIO

The new enhanced earpiece (*pictured to the right*) offers a twist lock connection for a more secure fit, a slimmed down Push-To-Talk button for a sleek look and the ability to add-on an earbud for louder audio.

VERSATILITY

The CLPe is available in a basic, 1 channel version and an 8 channel version for businesses needing multiple talk groups. Ready to go out of the box, each CLPe includes:

- 18 hour lithium ion battery
- 2.5 hour drop-in charging tray and adapter
- Single pin swivel earpiece w/ inline push-to talk microphone
- Swivel belt holster
- User manual
- Two year over-the counter exchange warranty

CLPe ACCESSORIES ADD EVEN MORE FUNCTIONALITY AND PERFORMANCE.
